International scientific conference: New Narratives In Architecture

We are pleased to invite all architects, designers, researchers, theorists, as well as professionals and students interested in the conference topics to submit proposals for participation. We particularly encourage active contributions to the conference program by submitting presentation proposals addressing the key themes of the event. We are looking for submissions that present bold ideas, alternative solutions, theoretical insights, or thought-provoking practical approaches.

Topics include: regeneration, ethics, paradigm, design methodology, utopian visions, and practical transformations. Participants may submit proposals for participation in a variety of forms including oral or poster presentations.

The allocated time for oral presentations is 15 minutes.

important dates:

1.04.2025 — call for projects announcement

6.06.2025 — submission deadline (via the conference website)

30.06.2025 — notification of acceptance sent to authors

12.09.2025 — submission of the final text, illustration(s), and/or poster(s)

6—7.11.2025 — conference dates

<https://nna.asp.waw.pl/>

target audience:

The conference is open to a global audience of researchers, theorists, and practitioners. It will bring together international participants interested in the latest developments in art, design practice, and theory. The discussions will focus on practical

solutions, sustainable design strategies, and innovative concepts for environmental regeneration as key elements of new architectural narratives.

languages:

The official languages of the conference are Polish and English (simultaneous translation will be provided during the event, and submissions may be made in either language).

additional information:

People interested in participating are asked to submit a proposal for an oral presentation or poster presentation via the online form available on the conference website.

The conditions for participation (presentation or poster presentation) in the conference are:

- a)** sending an application by filling out the form available on the conference website by 06.06.2025, containing:
 - in the case of an oral presentation — abstract of the presentation (up to 2500 characters) and optionally — graphic files (max. 5, .JPG, any dimensions)
 - in case of a poster presentation — poster description (up to 2500 characters) and graphic files (4 boards, .PDF, A3, horizontal orientation, 300 ppi, CMYK)
- b)** receiving confirmation from the organizer of acceptance of the application and invitation to participate in the conference

The organizers will provide a printout of the posters.

The organizers, together with the Scientific Council of the conference, will review the applications and contact the selected applicants within the specified time. Accepted proposals — abstracts of oral or poster presentations — may be used (in part or in whole) as part of the conference papers.

The organizers do not provide transportation or reimburse travel expenses.

Participants are responsible for all fees and costs associated with attending the conference.

The conference is non-commercial; presentations must not promote specific products, suppliers, or services.
